
Request for use of the HSSB Courtyard

Approved reservations for the HSSB Courtyard will include the entire *outdoor*, open-air courtyard space, and amphitheater, which is found between the two sections of HSSB and the Performing Arts Theater. Reservations are on a first-come, first-served basis.

(HSSB Courtyard's Amphitheater)

The HSSB Courtyard space is adjacent to academic and performing arts buildings and therefore reservations are contingent upon there being no conflicts with concurrent academic activities or performing arts events (including rehearsals, auditions, and performances).

Amplified sound (voice or music) is not allowed in the courtyard.

Reservation requests are carefully reviewed and are not automatically approved. Please expect to wait at least five work days for a response to your application. Thank you for your patience.

For those interested in reserving spaces *inside* HSSB, please refer to the following link at the Office of Student Life website for more information:
